Church Recognition

- Any local church seeking recognition with the Fellowship agrees to undergo a process to ascertain if it is a duly constituted Baptist Church by faith and order. Determining if it fits within the parameters of Baptist polity, doctrinal beliefs, mission, and financial viability.
- Any local church seeking recognition must formally apply for membership in The Fellowship and be received into membership by a favorable vote from the Region.
- Any local church seeking recognition by The Fellowship becomes a member of both the Regional and National bodies of The Fellowship. No Fellowship Baptist Church can be a member of just one of these entities.
